April 4, 2011

TO THE DUCHESNE JOINT RIVER COMMITTEE

There was a discussion at the last joint river committee meeting about the possibility of revising the method for calculating assessments. We said we would review the current method and several options and report back to the committee with a proposed assessment method that would be implemented this year.

We would like to meet with the committee to discuss this proposal at the following time and place:

1:00pm
Monday April 18, 2011
Central Utah Water Conservancy District Office
Duchesne, Utah

This will be an important discussion for the distribution system so I hope your schedule will allow you to attend. If you have any questions or comments prior to the meeting, please contact me at 801-538-7380 or at LeeSim@utah.gov or Bob Leake at 435-781-5327 or at BobLeake@utah.gov.

Sincerely,

Lee H. Sim, P.E.
Assistant State Engineer for Field Services

Cc: Bob Leake, Regional Engineer
John Swasey, Water Commissioner
